

An iPhone is shown from a front-facing perspective, displaying a text message on its screen. The phone has a silver bezel and a black front face. The text message is white on a dark background. The message content is as follows:

Received 2.50  
Hi Ellen,  
I'm so sorry but my husband Bob  
can't be there this afternoon to pick  
you up at the station because he is in  
hospital with a broken leg. But don't  
panic, our house is near Wilmington  
Central. When you come out of  
the railway station, turn right onto  
Clarence Street and walk straight  
ahead for a few minutes. Our house  
is number 34. Next to the front door  
there is a small pot with white flowers  
in it. Look under the pot, and you'll  
find the front door key. Open the  
door and go inside. Make yourself  
comfortable! There is some orange  
juice in the fridge in the kitchen and  
you can watch TV in the living room.  
Your room is upstairs, next to Julia's.  
Sorry again about all this. Call me if  
there's any problem.  
See you tonight.  
Anna
